Parisa Rajabi

Ivey Business School, Western University, 1255 Western Road, London, ON, N6G 0N1, Canada

(+1) 614 318 3366 ◊ prajabi.phd@ivey.ca, rajabi.6@osu.edu

Google Scholar: Parisa Rajabi

EDUCATION

Fisher College of Business, Ohio State University, Columbus, OH, USA 2025- expected 2027

- Visiting PhD student, Operations Management
- Supervisors: Prof. Ken Boyer, Prof. Christian Blanco
- Research Topic: *Rethinking Supply Chain Transparency: A Network Coverage Approach*

Ivey Business School, Western University, London, Ontario, Canada 2021- expected 2027

- PhD, Operations Management
- Supervisors: Prof. Rob Klassen, Prof. Jury Gualandris
- Dissertation: *Responsible Buyer Behavior in Supply Chains: Supplier-Directed Prosocial Behavior and Transparency in Buyer–Supplier Relationships*
- Awards: Plan for Excellence Doctoral Scholarship; Brock Scholarship; Graduate Fellowship by Ivey business school 2021-2026

Department of Industrial and Systems Engineering, Isfahan University of Technology, Iran 2015-2018

MSc, Industrial Engineering

- Dissertation: *New Integer Programming Models for Slab Stack Shuffling Problems*
- Supervisors: Prof. Ghasem Moslehi, and Prof. Mohammad Reisi-Nafchi
- Full scholarship for M.Sc. studies

Department of Industrial and Systems Engineering, Isfahan University of Technology, Iran 2011-2015

BSc, Industrial Engineering

- Full scholarship for B.Sc. studies

RESEARCH INTERESTS

Core focus: Empirical and behavioral operations for sustainability and responsible buyer–supplier relationships

Primary topics: Supplier-directed prosocial behavior; supply chain transparency; supplier voice; sustainable supply chain management; buyer–supplier relationships

Methods: Archival panel data analysis, Qualitative case research, LLM based text analytics; mathematical modeling

RESEARCH

DISSERTATION CHAPTERS

- **Rajabi, P**., & Klassen, R. D."Buying Firm Empathy and Supplier-Directed Prosocial Behavior in Buyer–Supplier Relationships."
  Research phase: Under review at *Supply Chain Management: An International Journal.*
- **Rajabi, P**., & Klassen, R. D., Gualandris, J. "Interpreting Buyer–Supplier Relationships through Cognitive Empathy and Supplier-Directed Prosocial Behavior."
  Research phase: Final edits before submission; target journal: *Journal of Operations Management.*
- **Rajabi, P**., Klassen, R. D., Boyer, K., & Blanco, C. "Let It Out or Hide It All! The Reputational Cost of Partial Supply Chain Transparency."
  Research phase: Job market paper; Final edits before submission; target journal: *Manufacturing & Service Operations Management*.

PEER-REVIEWED JOURNAL PUBLICATIONS

- **Rajabi, P**., Moslehi, G. and Reisi-Nafchi, M., "New integer programming models for slab stack shuffling problems", Applied Mathematical Modelling, 109, pp. 775-796, 2022.
- Shetab-Boushehri, S.N., **Rajabi, P**. and Mahmoudi, R., "Modeling location–allocation of emergency medical service stations and ambulance routing problems considering the variability of events and recurrent traffic congestion: A real case study", Healthcare Analytics, 2, pp. 100048, 2022.
- Mahmoudi, R., Shetab-Boushehri, S. N., Hejazi, S. R., Emrouznejad, A., **Rajabi, P**., "A hybrid egalitarian bargaining game-DEA and sustainable network design approach for evaluating, selecting and scheduling urban road construction projects", Transportation Research Part E: Logistics and Transportation Review, 130, pp. 161-183, 2019.
- Mahmoudi, R., Emrouznejad, A., Khosroshahi, H., Khashei, M. and **Rajabi, P**., "Performance evaluation of thermal power plants considering CO2 emission: A multistage PCA, clustering, game theory and data envelopment analysis", Journal of Cleaner Production, 223, pp.641-650, 2019.

RESEARCH PIPELINE

- **Rajabi, P**., Klassen, R. D., Boyer, K., Gualandris, J., & Blanco, C. "Supplier-Directed Prosocial Behavior: An LLM-Based Measure from News and Media Analytics."
  Research Phase: Pilot data and LLM-assisted text-analysis procedure in development; Target Journal: *Production and Operations Management*.
- **Rajabi, P**., Klassen, R. D., & Gualandris, J. "Buying Firm Empathy and Supplier Outcomes in Buyer–Supplier Relationships."
  Research Phase: Experimental design and vignette development; Target journal: *Journal of Operations Management*
- **Rajabi, P**., Klassen, R. D., Boyer, K., & Blanco, C. "Transparency Trajectories in Buyer–Supplier Networks."
  Research Phase: Data analysis and draft development; Target Journal: *Production and Operations Management*
- **Rajabi, P**., Mahmoudi, R., Mahmoudi, A., & Nguyen, J. "Information Sharing and Cost Reduction in Green and Regular Supply Chains under Government Tariffs."
  Research Phase: Analytical modeling stage, Target journal: *Manufacturing & Service Operations Management*

CONFERENCE PRESENTATIONS

- **Rajabi, P**., Klassen, R. D., Boyer, K., Gualandris, J., & Blanco, C. "Supplier-Directed Prosocial Behavior: An LLM-Based Measure from News and Media Analytics." POMS Annual Conference, 2026.
- **Rajabi, P**., Klassen, R. D., Boyer, K., & Blanco, C. "Rethinking Supply Chain Transparency: A Network Coverage Approach." DSI Annual Conference, 2026. Scheduled presentation.
- **Rajabi, P**., Klassen, R. D., Boyer, K., & Blanco, C. "Rethinking Supply Chain Transparency: A Network Coverage Approach." INFORMS Annual Meeting, 2026. Scheduled presentation.
- **Rajabi, P**., & Klassen, R. D. "Interpreting Buyer–Supplier Relationships through Empathy: Cognitive and Behavioral Activities." EurOMA Conference, 2025.
- **Rajabi, P**., & Klassen, R. D. "Interpreting Buyer–Supplier Relationships through Empathy: Cognitive and Behavioral Activities." POMS Annual Conference, 2025.
- **Rajabi, P**., & Klassen, R. D. "Elevating Buyer–Supplier Relationships through Buying Firm Empathy." POMS Annual Conference, 2024.

OTHER CONFERENCE ENGAGEMENTS

Session Chair, "Behavioral Operations for Sustainability," POMS Annual Conference, 2026.
Session Chair, "Supply Chain Management: Responsible Sourcing" DSI Annual Conference, 2026
Volunteer, 65th Annual CORS Conference, London, Canada, 2024.
Participant, DSI Annual Conference, 2025
Participant, World Conference on Transport Research, Montreal, Canada, 2023

Residency status: US permanent resident (Green card holder)

TEACHING EXPERIENCE

Instructor, Western University, Winter 2025

Course: Operations Management (MOS 3330B 005)
Average SQCT evaluation: **6.02/7.00**.

Teaching Lead, Ivey Business School, Western University 2023–2024
Courses: Ivey Essentials Operations (MSc 2025) and Simulation & Risk Analysis (MM 2024).
Responsibilities: Supporting course delivery, preparing teaching materials, and assisting students with assignments.

Teaching Assistant, Ivey Business School, Western University 2022–2026

Courses: Operations Management; Simulation & Risk Analysis (MM 2023, 2024, 2025; MSc 2024); Data-Driven Management (MSc 2022); Big Data Analytics (MM 2024); Financial Analytics (HBA 2023); and Ivey Essentials Operations (MSc 2025).

Responsibilities: Preparation of teaching materials, assessment design, grading, and student support across quantitative and analytics-oriented courses.

Teaching Assistant, Isfahan University of Technology 2015-2018
Courses: Operations Research I, Operations Research II, and Production Planning.

Responsibilities: Led problem-solving sessions, supported students in solving assignments.

Process Improvement and Business Training Facilitator, Goldaru Pharmaceutical Company and ACECR–IUT Branch, Isfahan, Iran 2016-2020
Organized and facilitated process-improvement workshops for employees and project teams.

WORK EXPERIENCE

Research Assistant, Ivey Business School, Western University, London, Canada, 2021–2023
• Supported research projects through literature review, data collection, data cleaning, and data analysis.

Business Process Analyst, Academic Centre for Education, Culture and Research (ACECR) – IUT Branch, Isfahan, Iran, 2019–2020
• Led business process analysis projects to diagnose workflow inefficiencies, and coordination challenges across organizational units.
• Mapped existing processes, identified bottlenecks, and developed redesigned workflows to improve cross-functional coordination and managerial decision making.

Continuous Improvement Engineer, Goldaru Pharmaceutical Company, Isfahan, Iran, 2017–2018
• Led continuous improvement initiatives in a pharmaceutical manufacturing environment, focusing on standardization, and quality-related performance.
• Organized and facilitated process-improvement workshops for employees across functional areas.
• Prepared analytical reports and process documentation to support implementation of process-improvement initiatives.

Feasibility Analyst, Shaolin Investment Company, Isfahan, Iran, 2016–2017
• Evaluated operational, market, and financial aspects of proposed projects and supported decision making through structured analysis and reporting.

Residency status: US permanent resident (Green card holder)

PROFESSIONAL DEVELOPMENT

Doctoral Workshop, Decision Sciences Institute, 2025

Doctoral Workshop, Production and Operations Management Society, 2026

Transparency in Learning and Teaching (TILT), The Ohio State University, audited, 2026

Universal Design for Learning (UDL), The Ohio State University, audited, 2026

Teaching AI Fluency with Authenticity and Vulnerability, The Ohio State University, audited, 2026

AWARDS, SCHOLARSHIPS, AND GRANTS

Plan for Excellence Doctoral Scholarship, Ivey Business School, Western University, 2021–2026

Brock Scholarship, Ivey Business School, Western University, 2022–2025

Graduate Fellowship, Ivey Business School, Western University, 2024–2026

Full Scholarship for MSc Studies, Isfahan University of Technology, 2015–2018

Full Scholarship for BSc Studies, Isfahan University of Technology, 2011–2015

SERVICE AND COMMUNITY INVOLVEMENT

Session Chair, POMS Annual Conference, 2026
• Chaired the session "Behavioral Operations for Sustainability."

Session Chair, DSI Annual Conference, 2026
• Chairing the session "Supply Chain Management: Responsible Sourcing, Due Diligence, Transparency, And ESG Disclosure."

Conference Volunteer / Coordinator, Canadian Operational Research Society (CORS) Annual Conference, London, Canada, 2024
• Supported conference organization, logistics, and participant coordination.

Event Planner and Coordinator, Iranian Student Association, The Ohio State University, 2025-2026
• Organized and coordinated cultural and community-building events for Iranian students and the broader university community.

Volunteer PhD Mentor, Ivey Business School, Western University, 2022-2026
• Mentored students interested in applying to PhD programs and supported incoming doctoral students as they navigated the first year of graduate study.

Food Bank Volunteer, London Food Bank, London, Ontario, 2023-2024
• Supported weekend food bank operations and community service activities.

Charity Market Volunteer, Isfahan University of Technology, Isfahan, Iran, 2013-2015
• Volunteered for two years with the university charity market to raise funds in support of children with cancer.

International Student Support Volunteer, London, Ontario, 2022-2025
• Helped new international students settle in London and navigate the transition to academic and everyday life in Canada.
